

Dear runner

Thank you for supporting the race. Here are the key points you will need to enjoy the event. If you are unable to attend you can transfer your entry to another runner using the 'transfer entry' button on this link. This facility will close at midnight on Friday 10th February.

Race - The race will start at 10:00am. There will be signs at the start relating to finish times. Please join the start line at an area suitable to your predicted time or please join in with one of our pacing groups.

Parking - There are two main parking areas. The first is the space around Redwither Tower Redwither Road LL13 9XT. This is close to the startline. The second is the overspill car park at HMP Berwyn Bridge Road LL13 9QE. This is a 10 minute walk to the start line. There will be signage.

Race numbers - These will be available for collection at Runners Need 82-84 Foregate Street Chester from Saturday 28th January until Friday 10th February. Numbers not issued at Runners Need can be collected on the day from a scaled down Race HQ close to Redwither Tower. This will be signposted from the parking areas. There will be portable toilets here as well at the finish area, 3 miles and 7 miles.

Race HQ & Course - This has been scaled down and will be (sheltered) outdoors for collection of race numbers and last minute information. The start line is situated at the same place on Bridge Road North. The finish area is on Oak Road Wrexham Industrial Estate LL13 9RG outside the former 'BICC/Pirelli Clubhouse'. Details of the course can be seen below. There will be water around 2.7 miles, 6.5 miles, 10 miles and at the finish.

Until we have a large-scale permanent home for Race HQ we are unfortunately unable to have a baggage facility.

Finish Line - When you cross the you can collect your water, medal and delicious Welsh cakes courtesy of our sponsors Village Bakery. A reminder that the race has a three hour cut off time and on-course services will not be available to anyone taking longer than this.

Prizes - There will be a small prize ceremony for the top three men and women at the finish area around 12pm (depending on the weather). Listen out for announcements. Age group prize winners will be contacted soon after the race.

Finally - We have a great team of marshals, volunteers and community groups attending. Please be kind and be patient with everyone you meet on the day.

If you have any questions please do not hesitate to contact us in the build up to the race.
