

Thank you for supporting the race. Below are some brief points that will allow you to enjoy the race.

If you are unable to attend you can transfer your entry to another runner by using the 'transfer entry' on the link below. This facility will close at midnight on Saturday 13th July. We do not offer deferrals to next year or into our other races.

<https://runcheshire.niftyentries.com/Helena-Tipping-Wrexham-10K-2024>

1. Parking: Please use the postcode LL13 9UT. This is the new Net World Sport site on Bryn Lane. This is where you will park, collect your race number and where the race will start from. We have a reasonably new course (see attached map) and a one-way traffic management plan which will come into force at 9:00am so please arrive well before this time. Race HQ will be open for number collection here from 07:30am. You can leave baggage at registration although we recommend not to leave any valuables there. There will be toilets there too; but please arrive early.

2. Race: The race will start on time at 9:30am. There will be plenty of signs, marshals and announcements directing you to the start. The start is right next to the parking area and the finish is at the village hall in Isycoed. The course has been officially measured and accredited. There will be a drink station at the 5k point.

3. Finish and prizes: Top three men and women will be awarded prizes at the registration area after the race. Please listen to announcements on the day. Age group prizes will be posted in the week following the race.

4. Spectators: It is not a particularly spectator-friendly course for those inclined to go to the finish.

We ask that spectators watch the runners complete the first lap and then remain at the Race HQ area.

Thank you again for supporting the race. We look forward to seeing you there.
